The site plan illustrates the layout of a new school building and its surrounding outdoor areas. The school building, located on the left side of the plan, features a basement level and is detailed with various rooms and structural elements. To the right of the building is a large playground area with multiple play structures, including slides and climbing equipment. Further to the right is a large, open play field. The site is bordered by 16th Street to the west, 13th Street to the east, and Wyoming Ave to the south. The plan includes numerous callouts for specific features such as trees, paths, and building details, providing a comprehensive overview of the proposed development.
