Enclosed you will find two copies of our Scholarship Application. The application lists the requirements for this scholarship. All requirements must be met in order for an application to be considered. We are particularly interested in the student's letter, which helps give us a clearer picture of the needs and goals of the applicant. Please feel free to duplicate this application.

The deadline for the application is **April 30, 2026**; information postmarked after this date will not be considered.

Winners will be notified by mail. Awards will be mailed to the winner by June 2026

Please post our application immediately so that all your students will have ample time to prepare an application and meet the deadline. We sincerely hope your students will take advantage of this opportunity to assist them with their financial needs. During this particularly low economic period it is more important than ever, that students take advantage of every possible financial assistance.

All applications must be mailed to the address listed below.

Thank you in advance for your cooperation and continued devotion to our youth.
