

## Deborah Weaver

It is hard to imagine Hopewell-Loudon without Deb Weaver. Whether in the classroom, on the court, at the track, or running the concession stands, Deb has been a familiar and dedicated presence for more than 30 years. She began her teaching career at Hopewell-Loudon in 1990, educating students in grades 4–6 until her retirement in 2023. In 2001, she earned the prestigious National Board Certification as a Middle School Teacher.

Even in retirement, Deb’s commitment to Hopewell-Loudon remains strong. It is not uncommon to see her in the hallways serving as a substitute teacher or fulfilling her duties as assistant athletic director. Beyond the classroom, Deb coached multiple sports, directed plays and musicals, organized the sixth-grade Outdoor School camp, planned Prime Time Reading, and led student teams participating in the Tiffin Relay for Life. Through these efforts, her students raised more than \$180,000 for cancer research.

Deb and her husband, Rob, are proud parents of two Hopewell-Loudon graduates, Stephanie and Troy, and grandparents to four grandchildren, Sloane, Elijah, Lincoln and Eve.

Throughout her career, Deb has consistently represented Hopewell-Loudon with dedication, loyalty, and pride. Her positive impact on students, colleagues, and the greater community is lasting, and her legacy will continue to be felt for many years to come.
