

## Andrea Brickner

Andrea has been a familiar face at Hopewell-Loudon for over 20 years. As her children began getting involved in Hopewell-Loudon Athletics, Andrea began volunteering. She started by helping run the Jr. High Basketball clock in 1999 and in the years that followed she took on both the Boys and Girls basketball programs. She has been very involved behind the scenes volunteering in the concession stand, helping organize the girls youth basketball program, keeping stats, helping with team meals for cross country and football, decorating lockers for student athletes and helping make the football signs that are still used today. When

others have asked her to help, she has been more than willing to give her time to support Hopewell-Loudon.

Andrea and her husband Bruce are parents to 2 Hopewell-Loudon graduates, Ashley and Andrew. They also have 6 grandchildren.

Andrea was nominated to the Hall of Fame due to her commitment to Hopewell-Loudon Athletics during her children's careers and well beyond.
