

## **Debra deVlugt Walter deVlugt**

Debra (King) deVlugt is an alumni of Hopewell-Loudon School. After graduation, she attended Bowling Green State University, and received her bachelor's degree in interior design in 1984. She moved to Dallas, Texas, to pursue her design career and there she met her future husband, Walter deVlugt. Walt received his accounting degree from Richland College. Deb and Walt married and had two children, Seth and Nicole. In 1996, they moved back to Ohio, to make their residence in the Hopewell-Loudon school district, and run the family farm.

For many years, Deb and Walt donated countless hours to the students and the Hopewell-Loudon school community. Deb was an elementary school volunteer and helped with the set design and costuming for several Hopewell-Loudon school musicals. She served as Athletic Booster president and secretary. She worked as a football mom, and has served on various levy campaigns. She worked extensively on the campaign to build the new school. Deb volunteered to be a member of the new school design committee, and her expertise served the committee well as they planned for our new building. Until his passing, Walt also worked on many levy campaigns, and was a devoted supporter of the Hopewell-Loudon FFA. In 2006, Walt was honored as a Seneca County Youth Asset Builder.

Deb also served our district as a member of the Board of Education.
