

George and Judy Hossler

Judy (Walter) Hossler is a graduate of Hopewell-Loudon School where she participated in cheerleading, band and choir. George Hossler graduated from Bloomdale School and served 3.5 years in the Navy. Mr. and Mrs. Hossler settled in the Hopewell-Loudon School District, sent their children here, and volunteered here in numerous capacities. They continued to do so long after their sons graduated, for a total of over 40 years.

Judy was one of the four ladies who initiated the Hopewell-Loudon Football Mothers Club, raising money to purchase equipment and feed both the home and opposing teams after every home game. She kept scorebook for baseball, softball, and freshman basketball. For many years she ran the clock for volleyball and girls' basketball. In addition, Mrs. Hossler sold and took tickets for football, basketball, and worked many tournament games.

George volunteered for over 25 years filming football and basketball games for our coaching staff. For 23 consecutive years, Mr. and Mrs. Hossler were in charge of the shot and discus events at the Dick Schultz Track and Field Invitational.

For many years at Hopewell-Loudon, George and Judy could also be found running concession stands, or anywhere else help was needed.
