

## **John Hoover**

After graduation from Hopewell-Loudon High School, John Hoover worked at his father's business in Bascom - Hoover's Garage. He was drafted into the Army and served for two years. After his return in 1966, John began driving bus for Hopewell-Loudon School. In 1970, John and his brother Joe became co-owners of Hoover's Garage, and together, they maintained the Hopewell-Loudon bus fleet for the next 38 years. Hoover's Garage made sure the fleet was ready for every trip.

John retired from bus driving in 2016. For close to 50 years, Mr. Hoover picked up and delivered thousands of students safely to their destinations, chauffeuring three generations of Hopewell-Loudon students!

Mr. Hoover was employed as a bus driver for Hopewell-Loudon longer than anyone else in the school's history.
