

Craig and Karen Lang

Lifelong Chieftains, Craig and Karen Lang have been involved with Hopewell-Loudon School in many capacities.

Craig coached baseball, and Karen served as a Board of Education member for 12 years.

Craig held the office of Treasurer of the Hopewell-Loudon Athletic boosters for 9 years. Karen was also

always helping with any booster project. During Craig's tenure, they helped establish the Reverse Raffle that has raised thousands of dollars that benefit our sports teams. Mr. Lang has kept the books for JV and varsity boys' basketball for the last 13 years, and prior to that kept the book for junior high basketball for 4 years. Karen has volunteered her time for the last 17 years as our go to "popcorn popper" for all of the home varsity football games.

Among the several projects they have spearheaded are the compilation of all of the Hopewell-Loudon athletic team records, and the cataloging, cleaning, repair and placement of the team trophies. Mrs. Lang also served on the Heritage Committee during the construction of the new school building. Preserving Chieftain History and heritage for the generations to come is a matter very important to both Craig and Karen.

Mr. and Mrs. Lang can still be found giving their time and service to Hopewell-Loudon School.
