

## Penny Theis

If you have been at a Hopewell-Loudon event in the past 25 years you would most likely have seen this special lady. Also known as “Paparazzi Penny” due to the number of pictures she has taken for everyone over the years, Penny has been working the scorer’s table running the scoreboard for basketball and volleyball since 1995. She is also a familiar face at the elementary cross country meets helping to score and register the tiny runners as well as volunteering her time to braid hair for the whole girls cross country team. Lastly but certainly not least, Penny has been a staple at all home track meets and especially the Dick Shultz track meet where she has helped run the concession stand for over 25 years.

Penny has three daughters Amy, Katie and Chelsea, 2 grandsons and 5 granddaughters. Even though they graduated from H-L many years ago Penny continues to help out wherever she is needed and it’s done with a smile.

Penny is a unique kind of soul that is always available, always ready to help, kind of person. Her continued enthusiasm and dedication to H-L Sports has made her a 2022 Hall of Fame Inductee.
