

ANNOUNCEMENTS

Wednesday, February 4, 2026

The February trait of the month is Compassion.

Honoring Black History Month, today we recognize Simone Biles, Gymnast. Simone is considered one of, if not, the greatest and most dominant gymnasts of all time. The seven-time Olympic medalist changed the game this past year at the 2020 Olympic Games when she chose to put herself and her mental health first over competition. Her decision to prioritize her mental health started an important conversation in the sports world about the role of mental health in sports.
