Dear AP Students and Parents/Guardians,

It's time to prepare for AP Exams in May 2027!

Why take AP?

- Earn college credit or placement (at many universities), saving time and money.
- Stand out in admissions by showing success in college-level work.
- Build skills in critical reading, writing, problem-solving, and time management.
- Boost college readiness with practice in an exam setting.

Cost/Fee Management

- \$99 estimated cost per exam (applies to all students enrolled in an AP course). If your student is eligible for free and reduced lunch, the fee is reduced. See the counselors for more information.
- Fees will be posted in Skyward the first week of September: You'll see AP Exam Fee(s) in Skyward Fee Management for each AP course. **Fees are due: Friday, October 2026 (exact date will be communicated)**. Exception: AP Macroeconomics pay/decision deadline is February 2027 (exact date to be communicated).

Where to pay: Skyward Fee Management.

- Deadlines:
 - All AP courses (except Macro): Friday, **October 2026**
 - AP Macroeconomics only: **February 2027**
- Paying in Skyward indicates the student intends to take the AP exam. Do not submit the Opt-Out form.

Please review the steps and deadlines below so your student is set up for success.

MyAP (College Board) Setup

- Students should log in to MyAP at myap.collegeboard.org and join the correct AP course section(s) with the code provided by their AP teacher.
- Important: Your student must be in the correct course/section in MyAP by the applicable deadline (Oct, 2026; or Feb 2027 for AP Macro).
- Trouble with MyAP login? Call College Board Student & Parent support: **888-225-5427**.

How to Opt Out (Cancel an AP Exam)

- If you do not want your student to take one or more AP exams, complete and sign the attached **AP Exam Opt-Out Form**.
- Student brings the signed form to the Bookkeeper (front office) by the appropriate deadline (Oct. 2026 for all exams except AP Macro; Feb. 2027 for AP Macro).
- After the signed form is received, the AP Coordinator will cancel the exam order in College Board (MyAP).

- Once processed, the Skyward fee will be removed.
- Cancellations after the deadline may not be possible and fees may still apply. Any fee incurred by the school will remain the responsibility of the student. BE SURE TO CANCEL/OPT OUT, BY THE DEADLINE.
- AP Courses and their fees must be paid for students to be eligible for their final exam exemptions.
- If a student cancels a test within the designated timeline, a cancellation fee will be reserved and additional fees paid will be reimbursed to the student. Specific guidelines and policies are the responsibility of the student to meet.
