Pioneering. Thinkers.

Dear Families,

I am writing about two important forms that need to be completed and submitted back to me no later than March 1. Both forms are for next school year; however, the Board of Education requires that these forms be completed and submitted by March 10 so we can send them out to the districts. In order for me to process and send them out by March 10, it is important that you send them to me by **no later than March 1**.

If you would like to apply for transportation, please log into your child's enrollment checklist [HERE](#) and fill out the transportation application form.

You may also download the textbook and B6T forms attached to this email.

FORM 1: TEXTBOOK FORM - This form needs to be filled out for ALL students. It will allow the Edison Board of Education to provide us with funds to purchase textbooks.

FORM 2: B6T TRANSPORTATION FORM - This form should be filled out for all students who qualify. ***Although this is called a transportation form, it is not an application for transportation and it has nothing to do with bus service for W+H.*** Many towns reimburse families, up to \$1,000 per child each year, if their child attends a private school and is not utilizing the public school services. Below are the qualifications:

- Students in grades K-8 (2026-27 school year) must reside at least 2.0 miles away from W+H, but no more than 20 miles.
- Students in grades 9-12 (2026-27 school year) must reside at least 2.5 miles away from W+H, but no more than 20 miles.
- Pre-K and JK students (2026-27 school year) are not eligible for reimbursement.

If you qualify, please send me the completed B6T no later than March 1. **When you email me the form, it must be a clear scan and cannot be a photo.** If you are unsure whether or not you qualify, fill out the form anyway and let the town decide. If you have multiple children, please fill out a separate form for each child that qualifies.

Important Notice for B6T Forms

- Districts are getting very strict with the deadlines and if the form is not submitted before the deadline, you may not be eligible for the reimbursement next school year.
- When you email the form to me, you should receive a reply email within 3 days to confirm receipt. If you do not get confirmation, please send another email to be sure it was received.

Thank you for your attention and if you have any questions about the forms, please let me know.

Best,

Brian Junger
