

More Than Just a Classroom.

At Creston, we work hard to make our school a place where all students and families feel welcome and included. We celebrate our community's diversity and we honor this diversity in our learning activities. We understand how important it is to keep our students feeling safe, both physically and emotionally, when they are with us.

We host both the Head Start Program (in the Creston Annex) and MESD Preschool onsite. Our active PTA consists of a vibrant group of parents who organize community events, fundraisers, and school improvements. Creston focuses on Social-Emotional Learning (SEL) to ensure students are happy, healthy, and ready to learn. Our 77% regular attendance rate reflects a welcoming environment where students want to be.
