

WORKING TOGETHER – with Hornet Pride!

February 2, 2026

Dear New Lothrop Community,

We are grateful for the strong participation and thoughtful engagement we have seen so far in our district-wide strategic planning process. The initial feedback sessions have generated meaningful dialogue, valuable insights, and a shared commitment to supporting student success across New Lothrop Area Public Schools.

As we continue this work, we invite community members who have not yet participated to join us at our last in-person community feedback session. These sessions provide an opportunity to share perspectives, ask questions, and contribute ideas that will help shape our district's priorities for the next three to five years. Your input is essential to developing a strategic plan that reflects our community's values and vision for the future.

Community Input Session

- Tuesday, February 3 at 5:30 p.m.
- Location: High School Media Center

In addition to attending a session, we strongly encourage all stakeholders to complete the Strategic Planning Feedback Survey. The survey is another important way to ensure your voice is heard and will remain open until February 13.

Thank you to everyone who has already contributed to this process. The conversations and feedback shared thus far have been incredibly productive, and we look forward to hearing from even more members of our school community as we move forward together.

Your voice matters, and your partnership is greatly appreciated.

Sincerely,
