

## Dublin School Tuition Insurance Overview 2026 – 2027

### What is Tuition Insurance?

Tuition insurance helps protect the investment you are making in your child's education. Your enrollment contract with the school financially obligates you to pay the full amount of tuition and fees for your child to attend regardless of withdrawal for any reason.

### What does the Tuition Insurance Plan Cover?

Covered Reasons under this policy are listed below. If you suffer a covered loss, we will pay the percentage listed in the Declarations for that covered reason of the student's average daily cost for tuition expenses and fees. The cause of any withdrawal or discharge must occur during the policy period.

#### Medical Withdrawal

### Medical Withdrawals, Non-Medical Withdrawals and Dismissals

### Voluntary Withdrawal Trigger (if applicable)

Coverage begins 14 calendar days after the first day of class or 14 days from the student's date of enrollment in the program, whichever is later. Coverage ends the last day of the academic year or once the student has withdrawn from school.

### Late Entering Students (Students that join the school after 7/1 and the policy is already active)

Any student who has not elected to enroll in the tuition program by the Effective Date will have a 14 calendar day waiting period before coverage becomes effective.
