

# PARENT & FAMILY ENGAGEMENT

## Mission

It is the mission of the St. Mary Parish School Board to be fully committed to continuing its tradition of academic excellence and an unwavering dedication in providing all students with an exceptional education that opens opportunities and service beyond graduation.

## Role

The St. Mary Parish School System recognizes the valuable role family plays in a child's successful progress through school. Involvement should include meaningful, two-way communication, participation in school activities, and assisting in student learning.

## Vision

It is the vision of St. Mary Parish Schools to:

- S**et and sustain
- M**eaningful and measurable
- P**rogress for all
- S**tudents
