Renaissance Regional Spring User Meeting Thursday, March 26, 2026 8:30am–3:30pm

REGISTER NOW

Agenda

Join us for a full day of learning, collaboration, and practical strategies to strengthen student progress monitoring and MTSS implementation.

- The morning will feature two hands-on sessions that dive into using assessment and practice product data to track student growth and make informed instructional decisions.
- After lunch, enjoy a series of District Spotlights featuring Long Island districts who will share their insights and successes with using Renaissance Products.
- In the afternoon, led by a Renaissance thought partner, discussions will take place around MTSS in your schools and exploring what's working, what's possible, and how to elevate your existing systems.
- End the day with important product updates, questions and answers and next steps to support continued success.

Come ready to connect, collaborate, and leave with actionable ideas to bring back to your district!

Please bring a device and your Renaissance credentials to log in and explore your data.

Breakfast and lunch will be provided by Renaissance.

***PLEASE NOTE*: The meeting will take place in-person at the following location in Western Suffolk BOCES: 31 Lee Avenue, Wheatley Heights, NY 11798**

Advance Registration is Required

If you need assistance, or have any questions, please contact Sarah Springer at 631-218-4142.
