Millbrook Middle School is a rural school found in the heart of the Hudson Valley of roughly 175 students in grades 6-8. Millbrook Middle School runs on a nine period day that begins in HomeBase. Daily periods provide students with core middle level courses while supplementing advancement in French, Spanish, Integrated Algebra and Earth Science. We reach the whole student using social-emotional learning utilizing the R.U.L.E.R curriculum monthly & training in SKY schools breathing techniques. Students also have the opportunity to be enriched in PE, Art, History, STEAM, Culinary, History Through Film and Press Room. HomeBase provides the opportunity for character education, building wide initiatives, and connection with teachers. Millbrook Middle School operates under the team model and utilizes their daily time together to collaborate across disciplines, differentiate instruction, define best practices, discuss MTSS intervention strategies, co-plan with special educators, and create student centered activities.
