	Melting Snowman Activity	Heart Caterpillar	I'm Stuck on You Activity	Group Dodgeball	<b>Students Choice</b>	

We know when we ask our kiddos "What did you do today?" They usually say "Nothin" or "I don't know". So we are sharing some of the things we do so you know what there is to look forward to!

We offer at least 1 project/activity per day (sometimes there's more) so all students have the opportunity to participate! Additionally, students have many other options throughout their day with us as well.

**Free Time: Students choose what to use:**  
Magnetiles, Barbies, Ice Cream Shop, Baby Dolls, Magnetblocks, toy cars and trucks, coloring, reading, Legos, card games, board games and much more!

**Group Activities:**  
Group Trivia, Jeoparday, Just Dance Kids, Pictionary, Dance Parties, Gym Time, Outside Time, and so much more!

**Students Choice:**  
Students and staff get to choose their activity day of using any materials available. This could be students teaching other students, an inpromptu project/craft, doing a craft that the student missed from earlier in the week, etc.  
Each room may be different!
