

MTMS TRACK & FIELD MANAGERS

We want managers to feel as though they are part of the track and field team. We are grateful for your interest and the work that you do!

We understand that managers will likely miss some practices, but we would hope that managers will be able to attend all of our meets. When absences occur, please make sure to communicate that with your assigned coach and Coach Webb. Our emails are located at the bottom of this page.

Practice starts at 3:15 pm. You will report to your assigned coach to start each practice. Practices will end by 4:30 pm. Managers should be picked up or have a way home no later than 4:45 pm.

The school's grading policy also impacts the managers the same. Managers will need to communicate with teachers when they miss any classes for meets. The same grade rules apply for participating in track as all other sports and extracurricular activities. Grade reports will be run every week. If an athlete has two Ds or an F, they will be put on probation and then will be ineligible if the grades don't improve.

Managers are part of the team so they will be released from school at the same time as the athletes. Managers are expected to ride back on the bus unless parents/guardians sign them out. This is very important. We cannot leave the meet unless we have everyone accounted for either on the bus or signed out. We will be calling parents to confirm the location of an athlete or manager if they are not on the bus and have not been signed out by a parent/guardian.

The coaching staff will communicate expectations, schedules, etc. along with any changes that occur through Skyward and Remind.

Depending on the weather, managers will want a long sleeve top and pants. A hat and possibly even gloves might be needed. A snack and water would also be helpful because not all meets will have concessions.

Job description- Help event coach with the follow:

- Attendance
- Recording times, distances, or heights
- Setting up/tear down equipment for the event
- Other miscellaneous tasks assigned (Finding an athlete, taking a message to another coach, etc.)
