RECORDING ARTS –LEARN THE ART OF RECORDING

THE RECORDING ARTS PROGRAM

Diploma Program, 45 weeks

The Recording Arts Program is a comprehensive 1-year program designed to teach you every aspect of the audio industry, from the basics of music theory to the most advanced aspects of audio recording. You'll become proficient in all forms of audio, including studio techniques, post production, live sound reinforcement, and mixing and mastering. You can even get Pro Tools certified! As a student in the Recording Arts program, we grant you unprecedented access to industry standard facilities and equipment.

On-line Training

[ONLINE INSTRUCTOR-LED COURSES/ONLINE CAREER-TRAINING PROGRAMS](#)

North Central Texas College offers a wide range of highly interactive courses that you can take entirely over the Internet. All of the courses include expert instructors, many of whom are nationally known authors. The on-line courses are affordable, fun, fast, convenient, and geared just for you.

Our instructor-facilitated courses are available anytime, anywhere. All you need is a web-enabled computer and a desire to learn skills that will prepare you for a new career or update current skill sets. And even though you won't be in a traditional classroom setting, you won't be on your own. A team of available online professionals, anytime scheduling, and educational textbooks combine to give you a relevant, interactive learning experience. We offer courses in Healthcare/Fitness, Business/Professional, IT/Software Development (Microsoft and CompTIA Official Curriculum), Media and Design, Skilled Trades/Industrial, Sustainable Energy and Going Green.

Workforce Innovation and Opportunity Act - Youth

WIOA Youth is a federally funded program that helps job seekers and workers ages 14-24 access employment, education, training, and support services to succeed in the labor market and match employers with skilled workers.

Job Seekers

It's not easy to find the right job on your own, but your perfect job is within reach. Through our network of services, Workforce Solutions can be your solution to finding a job! Workforce Solutions can provide you with these as well as a variety of additional services at no cost to you. Visit your local Workforce Center today and let us be one of your personal search engines!

Resources at Your Local Workforce Center:

Unemployment Benefit Services

Unemployment benefits are part of an employer-paid program that provides temporary, partial income replacement to qualified individuals who are unemployed through no fault of their own. You should apply for benefits as soon as you become unemployed. For more information about UI benefits and eligibility, visit [Texas Workforce Commission Unemployment Benefits](#).

Earned Income Tax Credit (EITC)

The Earned Income Tax Credit, EITC or EIC, is a benefit for working people with low to moderate income. To qualify, you must meet certain requirements and file a tax return, even if you do not owe any tax or are not required to file. EITC reduces the amount of tax you owe and may give you a refund. For more information about EITC, visit IRS's EITC website at www.eitc.irs.gov.

Visit your local [Workforce Center](#) for assistance in applying for EITC.

Find Your Next Job

WorkInTexas.com is a comprehensive, easy-to-use, free online job-matching system. By completing an online application, job seekers can be matched with Texas employers of all sizes and types. In addition to job matching, WorkInTexas.com also includes resume building tools, career tools, and e-mail notification of job availability.

[CareerOneStop](#) is a career, training, and job search website for the U.S. Department of Labor. The site serves job seekers, businesses, students, and career advisors with a variety of free online tools, information, and resources.

The [Texas Veterans Leadership Program](#) is a Texas Workforce Commission resource and referral network connecting returning veterans of Iraq and Afghanistan with the resources and tools they need to lead productive lives and enjoy the full benefits of the society they have willingly served. Connect with a [Veterans Resource & Referral Specialists](#) for North Central Texas today.

Use Resource Rooms

Resource Rooms feature computers with internet access and a broad selection of job search software and materials. Printers, fax machines, and a variety of local newspapers, are all available to assist you in your independent job search. Visit your local Workforce Center to find out more.

Talent Development Specialists are Here to Help

Talent Development Specialists are available in the Resource Room and are ready to assist you with career counseling, resume preparation, and interviewing skills. Visit your local Workforce Center to meet with an Talent Development Specialist. Hiring events and workshops covering topics of interest to job seekers are also provided.
