

Student Assignment Meeting Summary

1/14/2026

VIRTUAL

6:30 – 8:30 p.m.

Meeting Agenda

- ✓ Welcome and Agenda
- ✓ Meeting Goals
- ✓ Timeline
- ✓ Facility Planning (Scenario) Evaluation Metrics
- ✓ Teamwork
- ✓ Share Out
- ✓ Considerations
- ✓ What's Next

Meeting Goals

- Determine primary and secondary evaluation metrics.
- Determine if there are any metrics we shouldn't use or should add?
- Finalize guidance for program placement in scenarios

Committee Feedback on Primary & Secondary Metrics

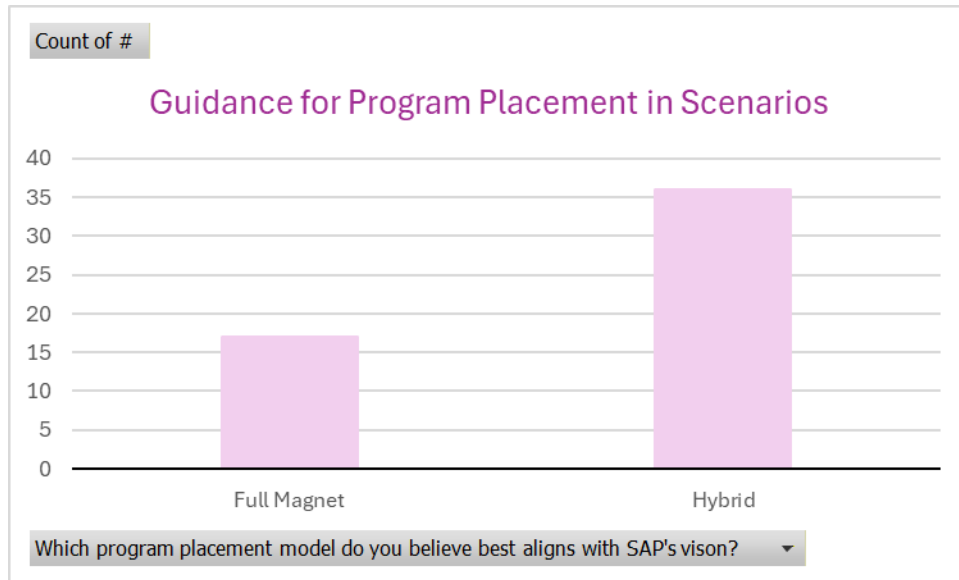

Metric	Committee Lean
School Adequacy	Strong Primary
School Capacity	Primary
School Condition	Primary (with context)
Distance to Neighboring Schools	Primary (overall)
Forecasted Students within 1 / 1.5 miles	Slight Primary
Forecasted Utilization	Secondary

Committee Feedback on Additional Metrics to Consider

Additional Proximity Metrics	Additional Building Metrics	Additional Enrollment Metrics
Transportation costs (busing, public transit)	Age	Transportation
Population density and community layout	Expansion potential	Displacement/disruption
Impact of major roads, highways, or railroads	Neighborhood impact	Demographics
Distance between schools in a cluster (elementary → middle → high)	Remodeling costs	Campus lot size
School level differentiation (elementary vs. middle vs. high)	Traffic/footprint limitations	Historical trends
	Accessibility	Regional differences
	Safety	

Committee Guidance on Program Placement in Scenario
