## Local Plan Section D: Annual Budget Plan

Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments II–V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

**IMPORTANT:** Adjustments to any year’s apportionment must be received by the California Department of Education (CDE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The CDE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE's review determines that they are correct. California *Education Code (EC)* Section 56048

Pursuant to *EC* Section 56195.1(2)(b)(3), each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit. Whereas, the administrative entity for single LEA SELPA is identified as a responsible individual. Information related to the administrative entity must be included in Local Plan Section A: Contacts and Certifications.

Fiscal Year:

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
