1.0 Welcome & Roll Call

- 1.1 Review meeting structures and the scope of the SOT Team's advisory recommendations.
Mrs. Lucero called the meeting to order at 3:49 pm and handed out the 2020-21 School Performance Plan, Budget Ideas for 20-21, Our 19-20 EI implementation Plan, NCCAT report, Culturally Inclusive School Analysis and school test data.

2.0 New Items

- 2.1 Review School Performance Plan **Mrs. Lucero took us through by reading and explaining to the SOT our Rhodes 2020-2021 School Improvement Plan. Each component of our school performance plan was discussed and the handouts we received helped support and provide evidence/justification for our SPP measurable goals and action steps. The School Performance Plan is a working copy and will be finalized this Fall after we receive our Standardized test scores from this Spring. Mrs. Lucero then summarized and discussed the various handouts listed above. Based on NCCAT results we will be working on School-Parent partnerships for next year and will work on any ideas we may have at our April 2020 SOT meeting. We are planning a Family Involvement Committee for next year and need ideas to help facilitate parent participation.**
- 2.2 Discuss Parking Lot Procedures and Changes: **SOT discussed our need to close off our parking lot before and after school since we do not have a pick up drive through lane. We had Safe Routes come out do an analysis and we definitely need to address safety concerns. Mrs. Lucero will send out a newsletter to families about a test run after Spring Break to practice for next year. We will discuss more ideas and feedback at our next SOT meeting.**
