Autrey Mill Middle School

Dear Autrey Mill Middle School Rising 6th Grade Parents,

On behalf of the **Autrey Mill Middle School (AMMS)** faculty and staff, I want to welcome you to the Mill, the home of the Lions! Our mission and vision are very simple: Preparing our students for tomorrow's challenges and engaging all learners through **rigor, relevance, and relationships**.

At AMMS we provide rigorous curriculum through relevant experiences for our students which engages them in their learning. Starting in 6th grade our teachers take the time to develop positive relationships with the students. In addition to the core classes: Math, English Language Arts, Science, Social Studies, and Reading, students can qualify and be recommended by their 5th Grade Teacher for **World Language**, which at AMMS includes **Latin, French, and Spanish.**

Connections classes, or as they are called in elementary school, "Specials", provide opportunities for students to receive additional exposure to other skills and new experiences.

Option A: General Connections - Career Awareness, (2 nine weeks) Physical Education, and Health are three connection classes that the students are automatically scheduled for, but Adventure Quest, Art, Engineering, Marketing, Broadcasting are 9 week/quarter long classes that are assigned randomly throughout the year.
The only courses that students can request in Connections are Band, Chorus, or Orchestra.

Option B: Performing Music Connections Program - Band, Chorus, or Orchestra. The students get to choose one of them for the whole year. Participation in the Music Program is a year-long commitment.

Resources for you:
Connections video is attached
World Language video is attached

We are looking forward to meeting all of you soon as the 2026 – 2027 school year is just around the corner. If you have any more questions, please visit our website www.fultonschools.org/amms

Thank you,

Matt McNamara
AMMS Assistant Principal
Student Information Coordinator
