Summer School – Health & Personal Fitness (Summer 2026)

For students interested in taking **Health (0.5 credit)** and **Personal Fitness (0.5 credit)** during the summer, additional information will be released after Spring Break on the CCSD website, and you will remain enrolled in these two courses until we get final summer school grades in July.

Additionally, please note that students are limited to **one total credit during the summer**. This may be either **CCSD Health/Personal Fitness** *or* **one additional GAVS course**. Students may not enroll in more than one credit, meaning **Health & Personal Fitness cannot be taken in combination with an additional GAVS course**.
