Section 3 - Academics

3.1 – Credits and Graduation Requirements

Newburyport High School credits for graduation are obtained by having attended NHS for at least one semester. All courses at Newburyport High School are semester courses that normally yield a total of 2.5 graduation credits. Credit values for individual courses are contained in the description presented in the current *Program of Studies* and are granted to students upon successful completion of a given course of study. To graduate from NHS, students must accumulate 110 credits, pass all of the required courses of study, achieve competency determination "CD" (see below 3.2), and have attended NHS for at least one semester.

The subject areas and credit quantities required of students are as follows:

English	4 years	20 credits
History	4 years	20 credits
Mathematics	3 years	15 credits
Science	3 years	15 credits
World Language	2 years	10 credits
Physical Education	4 semesters	10 credits
Visual and Performing Arts	2 semesters	<u>5 credits</u>
		95 credits

The additional credits required to reach **110 credits for graduation** are to be chosen from those courses listed in the *Program of Studies*.
