RISING 9TH GRADE KNIGHTS

Dear 8th Grade Students and Parent/Guardians,

We are excited to welcome our rising 9th graders to River Ridge High School! On February 5, 2026, our RRHS school counseling team will meet with students at Mill Creek Middle School to begin the course registration process for the 2026–2027 school year.

For students who are unable to meet with a high school counselor, elective request forms will be turned into MCMS counselor, Mr. Crane.

What's Next?

- **March 2026**
  - Students and parents will receive an email with:
    - Course requests and alternate elective selections (THIS IS NOT YOUR STUDENT'S SCHEDULE!)
    - Core class recommendations based on academic data
  - You'll be able to review all course requests and, if needed, request changes by completing a MS Form.

- **April 2026**
  - Course request & level change requests final deadline for students/parents.

- **July 2026**
  - All RRHS students will receive their official schedules digitally through ParentVue and StudentVue.
  - An RRHS Walkthrough date is coming soon to help 9th grade and new students get familiar with the building before the first day of school.

Summer School – Health & Personal Fitness (Summer 2026)

For students interested in taking Health (0.5 credit) and Personal Fitness (0.5 credit) during the summer, additional information will be released after Spring Break on the CCSD website, and you will remain enrolled in these two courses until we get final summer school grades in July.

Additionally, please note that students are limited to one total credit during the summer. This may be either CCSD Health/Personal Fitness or one additional GAVS course. Students may not enroll in more than one credit, meaning Health & Personal Fitness cannot be taken in combination with an additional GAVS course.

Once CCSD updates summer school information, you can find it linked HERE.

We can't wait to welcome your student this August as they begin their journey as a Knight! Go Knights!

RIVER RIDGE HS
