SCHEDULING INFO (current 11th grade scheduling for 12th)

FRONT OF CARD -
Required Courses

A. **ENGLISH:** Students will choose a full year consisting of one semester of *12th Grade Comp* **AND** one semester of a *literature elective*. Please rank your elective choices in order of preference, in case your first choice is unavailable. Students who are exceptionally strong in English may opt to take Advanced Placement (AP) English Language & Composition for the full year English. If you are currently taking AP Lang, you might consider scheduling for AP Lit.

B. **MATH:** Students are required to take 1.0 Math or Math-Related course during senior year and must complete the content of Algebra 2. (**Math related classes are listed on the back of the schedule card)

C. **ELECTIVES:** 12th grade elective choices can be found on the Course Offerings sheet. Students may select any combination of one or two semester courses.

D. **OPTIONAL BAND CHOICES:** (Marching Band and Jazz Band only) Check the box and do not include in the total credits when inputting. Your counselor will do this for you.

E. **ALTERNATE ELECTIVE COURSES**: Choose Alternate choices for all 1 semester elective classes and *PUT IN THE ORDER OF PREFERENCE*. Please choose 1 semester alternates, keeping in mind that you may be scheduled into your alternate classes if your first choice classes are not available. *Cards without alternates will not be accepted!*

F. **STUDENT AND PARENT/GUARDIAN SIGNATURES:** Review selections with parent/guardian and sign the card. **Both student and parent/guardian signatures are required!**

G. **CLASSES NEEDED TO GRADUATE:** This section should list any specific classes needed.

Other important things to keep in mind….

- If you are planning on applying to a college/university in the fall of your senior year, your senior year schedule should include at least 8 academic classes.
- AP courses are intended for the highly motivated student, have the rigor of college level courses, require intense reading, and are full year commitments!
- **If you sign up for a full year course, you will be expected to remain in that course for the full year.**
- Check class prerequisites carefully!
- Complete course descriptions can be found in the Course Description Book on the Curriculum website or the RHS Counseling website in the grade level scheduling tab.
- If applying to an **Oakland Schools Technical Campus** program, visit their website to apply! Remember that OSTC will use 6 credits for the year. You will enter 3 AM's or PM's for semester one and semester two in the cluster that you applied for.

****If your transcript indicates that you have earned less than 13 credits, you will need to earn additional credits through summer/correspondence/night school and should consult with your counselor. You need to begin your senior year with a minimum of 16 credits!***
