Ropes ISD will begin accepting Non-Resident Student Transfer Applications for new and renewal students living outside the District boundaries for the **2026-2027** school year starting on **Monday, February 9, 2026**.

Interested non-resident students who wish to apply for a transfer can request an application from any of the District offices. Current transfer students will receive an application by mail, which must be completed and returned by **February 27, 2026**. All current transfers must submit a completed and signed application.

Failure to promptly return the completed and signed Non-Resident Student Transfer application by the deadline may result in the District rescinding the transfer approval, potentially forfeiting the student's place for the **2026-2027** school year.

- **Monday, February 9:** Transfer requests open for both current transfer students and interested non-resident students.
- **Friday, February 27:** Deadline for current transfer students to return their applications.
