February 2026

Dear Morris Hills High School Parents/Guardians,

At Morris Hills High School, we are committed to improving SAT scores and finding innovative ways to enhance our current curriculum to facilitate better preparation for standardized tests. Toward that end, I am writing to inform you of a unique opportunity for our juniors. Studies clearly show the more exposure a student has to the actual SAT Test, the better prepared he or she will be to tackle the real exam on test day.

On April 30, 2026, Morris Hills High School will be offering a free, one-day SAT Boot Camp for all juniors. The boot camp will take place from 3:30PM to 7:00PM at Morris Hills High School, taught by a member of the Mathematics Department, and Ms. Tracy Petrosino, Teacher of English. The schedule will be as follows:

3:30PM – 5:00PM – Session 1
5:00PM – 5:30PM – Break
5:30PM – 7:00PM – Session 2

The MHRD Transportation Department will be running late buses for students to take home at the conclusion of the SAT Boot Camp. The late buses will line up in the front circle of Morris Hills High School. There will be a total of four late buses (Denville, Rockaway Boro, Rockaway Township, and Wharton). The buses will depart Morris Hills High School at 7:15PM.

You will find the Morris Hills High School SAT Boot Camp registration form [here](#). If your junior student is interested in attending the free, one-day SAT Boot Camp, please complete the registration portion of the registration form by Monday, April 20, 2026. **Students must utilize their MHRD Google account to complete the registration form.**

Please be advised that there will be an administration of the SAT Test through the College Board on Saturday, May 2, 2026. The SAT Boot Camp is an excellent opportunity for our students to prepare one last time prior to the SAT administration. If your child is interested in taking the SAT Test on May 2, 2026, please visit the College Board website (www.collegeboard.org) for registration materials.

On April 30, 2026, all SAT Boot Camp participants should report to Room 167 at 3:30PM. At that time, students will be divided into two groups. Group one will participate in the English session and group two will participate in the Mathematics session. After the break, group one will participate in the Mathematics session and group two will participate in the English session.

Students are asked to please bring the following items with them to the SAT Boot Camp – a pencil/pen, a notebook, and a calculator.

I am confident that the SAT Boot Camp will be an enriching experience for our current juniors and will further assist them in their preparation for the SAT Test. If you have any questions or concerns, please feel free to contact me at 973-664-2301.

In the Spirit of Partnership,

Todd M. Toriello, Ed.D.
