

# Quarter 3 Family Newsletter

Title I Newsletter, Quarter 3, January 2026

## Letter from Principal

I want to take a moment to thank each of you for the strong start to the new year. Walking through classrooms and hallways, it's clear that our students are excited to be back to Clark Creek and learning.

Students have returned focused, routines are firmly in place, and our school culture continues to reflect high expectations paired with care and support. This does not happen by chance—it happens because collaboration, professionalism, and dedication to excellence by teachers, parents, and students alike.

As we move forward, let's continue build on this momentum by maintaining clear expectations, engaging instruction and learning,

and strong collaboration among all stakeholders. I am proud of the work we are doing together and grateful to serve alongside each of you.

Thank you for all you do each day to make Clark Creek a place where students thrive.

With appreciation,  
Joey Moss  
Principal

## Posted Revision Meeting on Website

All parents are invited to provide input on the School Parent and Family Engagement plan for Shared Student Success and the Title I Schoolwide Plan. Please click on the link below to access the presentation and input forms. All related links are located under the Title I/Parent Engagement tab/section. Thank you for your support!

**5th Grade:** Use models to solve problems involving addition and subtraction of fractions and mixed numbers with unlike denominators.

### Adding and subtracting fractions-unlike Denominators.pdf

[Download](#)

4.0 KB

## ESOL Information

Parent involvement plays an important role in supporting the success of our English Learners. Below are some simple ways you can support your student's learning and stay actively involved in our school community.

### To help your student do well in school, you can:

- Make sure homework is completed and returned to school.
- Ask teachers questions if your student needs help.
- Help your student practice math facts, writing, and reading.
- Set a regular time and quiet place for homework.

- Check grades and assignments on [Canvas](#) weekly planners.

**To help your student receive a well-rounded education and meet state standards, you can:**

- Encourage your student to participate in art, music, physical education, and other school activities.
- Talk with your student about science, social studies, and school projects.
- Attend school events, family nights, and conferences.
- Support good attendance and arriving at school on time.
- Know what your student is expected to learn at each grade level. [CCSD Teaching and Learning Standards](#)
- Check report cards and test results in [ParentVue](#).
- Work with teachers to set learning goals for your student.
- Use school-provided resources and programs for extra support.

## Copyright Piracy
