UDALL | SHUMWAY

21

OCR is Proactive and Agressive

- OCR is not waiting for complaints by students/parents on issues it considers most important
 - Transgender females' participation in sports
 - "Intimate spaces"
- Aggressively seeking order denying federal funding if not in compliance

UDALL SHUMWAY

22

OCR Complaints

- Under the Dear Colleague guidance, OCR will not investigate a **Title IX** complaint if the conduct was discrimination based on sexual orientation, gender identity, or any of the other expanded scope provisions of the 2024 regulations
- OPEN QUESTION: What about a monitoring agreement under 2024 regulations???

UDALL SHUMWAY

23

Athletics/Sports Teams

- Still need to provide equal access in athletic opportunities based on sex
- OCR will likely not allow a school to permit a student who was not assigned to female sex at birth to compete on a girl's/women's sports team
 - Challenge by trans girl
 - Challenge by female (sex assigned at birth)
- Changed sex on birth certificate issue?

UDALL SHUMWAY

24

Intimate Spaces

- Under the Dear Colleague guidance, OCR will not investigate a Title IX complaint if the conduct was discrimination based on sexual orientation, gender identity, or any of the other expanded scope provisions of the 2024 regulations
- OPEN QUESTION: What about a monitoring agreement under 2024 regulations???

UDALL | SHUMWAY

25

Single Sex Activities

- Girls On the Run
- Girls Who Code
- Open question?

UDALL | SHUMWAY

26

What about 9th Circuit cases on Sexual Orientation and Transgender?

- E.O. and Dear Colleague Letter to contra
- Likely legal challenges to E.O.? We will watch
- Transgender students' rights and school's responsibilities—bullying and harassment policies still apply and should be enforced via school discipline policies, not Title IX

UDALL | SHUMWAY

27

What to Do Now

1. Review and revise Title IX policies
2. Review and revise Title IX forms and templates
3. Train all personnel AGAIN (Folks are confused and whiplashed—and understandably so!)
4. Reach out to legal when you have cases that you may have started investigating under the 2024 regs or which were decided under the 2024 regs or you have any lingering questions

Title IX

- Title IX covers sex discrimination in many areas such as sports, discrimination in enforcement of school rules, dress codes, grading discrimination, sex-based bullying, sexual harassment and/or sexual violence; programs and activities (Girls Who Code and Girls on the Run)
- Typically, complaints of sexual harassment are the most common complaints you will encounter

UDALL | SHUMWAY
ATTORNEYS AT LAW

29

Who can be a party to a Title IX complaint?

- Student vs. Student
- Student vs. Staff
- Staff vs. Student
- Staff vs. Staff

UDALL | SHUMWAY
ATTORNEYS AT LAW

30

Why do we care whether TIX applies?

- TIX protects vulnerable classes of persons
- Possible OCR complaint
- Potential District liability
- Following TIX procedures delays the typical discipline processes for students and staff

UDALL | SHUMWAY

31

School Liability

A school will violate Title IX where it has **actual knowledge** of an allegation of sexual harassment experienced by *an individual in the educational program* and the school acts with **deliberate indifference** to that notice.

UDALL | SHUMWAY

32

Actual Knowledge

Whenever any employee has notice that sexual harassment might have occurred, the school's response obligation is triggered.

- Notice of conduct that would meet the definition if true

UDALL | SHUMWAY

33

**Actual Knowledge:
What to Do**

- The employee with knowledge must get that information to the Title IX Coordinator or the designated site person to report to the Coordinator
- This information ALWAYS triggers the Title IX Coordinator's responsibilities so timely reporting is vital
- Consider if mandatory reporting is necessary

UDALL|SHUMWAY

34

**Actual Knowledge:
What NOT to Do**

- Do not ignore or fail to recognize that behavior is possible sexual harassment if true (presumed true)
- Do not interview person accused of sexual harassment at this time (procedural requirements)
- Do not discipline

UDALL|SHUMWAY

35

**Liability for Deliberate
Indifference**

A response to notice of sexual harassment that is clearly unreasonable in light of the known circumstances will subject the District to liability under Title IX (i.e. the District can be found to be acting "deliberately indifferent")

UDALL|SHUMWAY

36

Education Program or Activity

- Any location, event, or circumstance over which the school exhibits substantial control over both the alleged harasser and the context in which the harassment occurred.
- Does not include conduct that occurred outside of the U.S.

UDALL | SHUMWAY

37

Title IX Sexual Harassment or Sexual Violence

- 3 Types in the definition in the regs
- All three require:
 - Unwelcome sexual conduct (no consent)**
 - +**
 - Conduct effectively denies (or limits) a person's equal access to educational activity**

UDALL | SHUMWAY

38

Type 1: Quid Pro Quo

An employee of the recipient conditioning the provision of an aid, benefit, or service of the recipient on an individual's participation in unwelcome sexual conduct.

UDALL | SHUMWAY

39

Type 2: Severe, Pervasive and Objectively Offensive

Unwelcome conduct determined by a reasonable person to be so *severe, pervasive, and objectively offensive* that it effectively *denies a person equal access* to the recipient's (school's) education program or activity

UDALL|SHUMWAY
ATTORNEYS AT LAW

40

Severe, Pervasive and Objectively Offensive

- No specific definitions in the regulations, but the more severe the conduct, the less need to show pervasiveness
- Pervasive means widespread, persistent, and/or exists throughout an entire system or institution
- Severe and Pervasive work in tandem so that if something is more severe, it may be less pervasive and still meet Title IX and vice versa

UDALL|SHUMWAY
ATTORNEYS AT LAW

41

Severe/Pervasive Analysis

1. Degree to which the conduct affected the complainant's ability to access the District's education program or activity;
2. Type, frequency, and duration of the conduct;
3. Parties' ages, roles within the District's education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;

UDALL|SHUMWAY
ATTORNEYS AT LAW

42

Severe/Pervasive Analysis

- 4. Location of the conduct and context in which the conduct occurred; and
- 5. Other sex-based harassment in the District's education program or activity.

UDALL | SHUMWAY

43

Objectively Offensive

- Whether a reasonable person in similar circumstances would find it offensive, hostile, or intimidating.
- Subjective feelings or interpretations may not be the sole basis for evaluating whether a Title IX violation has occurred.

UDALL | SHUMWAY

44

Type 3: Sexual Assault or Violence

- Sexual assault as defined in 20 U.S.C. 1092(f)(6)(A)(v)
- Dating Violence as defined in 34 U.S.C. 12291(a)(10)
- Domestic violence as defined in 34 U.S.C. 12291(a)(8)
- Stalking as defined in 34 U.S.C. 12291(a)(30)

UDALL | SHUMWAY

45

Education Program or Activity

Schools are only required to address sexual harassment in the education program or activity, which is

- Any location, event, or circumstance over which the school exhibits **substantial control over both the alleged harasser and the context in which the harassment occurred**

UDALL | SHUMWAY
ATTORNEYS AT LAW

46

Against a Person in the United States

- This is a jurisdictional requirement for application of Title IX
- Students in a study abroad program are not protected by Title IX outside the U.S.
- Final rule notes that though not required, a school may initiate a student conduct proceeding against a perpetrator or offer supportive measures to a victim

UDALL | SHUMWAY
ATTORNEYS AT LAW

47

Examples of Denial to Educational Activity

- Skipping classes or school refusal
- GPA goes down
- Difficulty concentrating in class
- Bedwetting, crying at night
- Quitting sports or extracurricular activities to avoid contact with alleged perpetrator

UDALL | SHUMWAY
ATTORNEYS AT LAW

48

Title IX Can Be Difficult for Schools/Staff/Students

- Violations of processes/procedure can become the subject of an OCR complaint/investigation
- Title IX process may take 60 days or more
- No discipline can be taken against the Respondent until the full process has completed

UDALL | SHUMWAY

49

Is it more than Title IX?

- Mandatory report to DCS and/or law enforcement
- HR issues
- Report to State Board of Education (unprofessional conduct by adult employee)

UDALL | SHUMWAY

50

Is it Title IX?

Group Discussion
(Scenarios)

UDALL | SHUMWAY

51

It's Title IX. So, now what do we do?

- If respondent is a student you **cannot** remove them from an educational activity as a supportive measure **UNLESS** there is need for an emergency removal - necessary to protect an individual from IMMEDIATE THREAT TO PHYSICAL HEALTH OR SAFETY

UDALL SHUMWAY

70

Mandatory Dismissal of Formal Complaints

- The complaint does not state an allegation of **sexual harassment**, even if all facts are found to be true
- The sexual harassment, even if it did occur, did not occur in the **school's program or activity**
- The sexual harassment did not occur against a **person in the United States**

UDALL SHUMWAY

71

Permissive Dismissal of Formal Complaints

- If the Complainant notifies the Title IX Coordinator that s/he wants to withdraw the complaint
- If the Respondent's employment or enrollment with the school ends
- If circumstances, such as several years between the conduct and the complaint or a complainant's refusal to cooperate, prevent the gathering of evidence sufficient to render a determination

UDALL SHUMWAY

72

Determining When Title IX Coordinator Proceed w/o Complainant

- The Title IX Coordinator may sign a formal complaint on behalf of the complainant, and/or may decide not to dismiss allegations or a complainant even if complainant requests dismissal—discuss with Legal!
- Consider whether District would be deliberately indifferent to the notice of potential sexual harassment if the Coordinator does not proceed

UDALL|SHUMWAY

73

Considerations

To make the determination, the Title IX Coordinator may consider (8 factors from 2024 Regulations—not required, but can be helpful):

- Complainant's request not to proceed
- Complainant's reasonable safety concerns regarding initiation of complaint
- Risk that additional acts of sex discrimination would occur if complaint is not initiated
- Severity of the alleged sex discrimination
- Age and relationship of the parties, including whether the respondent is an employee

UDALL|SHUMWAY

74

Considerations Cont.

- Scope of the alleged sex discrimination, including information suggesting a pattern, ongoing sex discrimination or sex discrimination alleged to have impacted multiple individuals
- Availability of the evidence to assist a decisionmaker
- Whether the recipient could end the alleged sex discrimination and prevent its recurrence without initiating the grievance procedures

UDALL|SHUMWAY

75

Procedural Requirements

- Parties may have an advisor of their choice
 - Advisor may be an attorney, but does not have to be
 - Parents of minor students are not advisors, but do have the right to be present with their child
 - i.e. a minor student may have both a parent and an advisor present/notified

UDALL | SHUMWAY
ATTORNEYS AT LAW

76

Procedural Requirements

- Parties have the opportunity to inspect and review evidence collected during the investigation
 - Should sign a non-disclosure agreement (NDA), which does not restrict either party's ability to discuss the allegations or gather and present evidence

UDALL | SHUMWAY
ATTORNEYS AT LAW

77

TRAINING

- A District must ensure that Title IX Coordinators, investigators, decision-makers and any person who facilitates an informal resolution process, receive annual training in the definition of sexual harassment, grievance process, how to serve impartially, conflicts of interest, etc.
- All employees are not required to be trained annually, but it is a good idea to give some training to all employees because of actual knowledge/notice considerations (annual training is the gold standard)

UDALL | SHUMWAY
ATTORNEYS AT LAW

78

Informal Resolution Process

- When: After a Formal Complaint Received
- What: Settlement or restorative process
- How: Mediation is common process

UDALL|SHUMWAY
ATTORNEYS AT LAW

79

Why Parties May Prefer Informal Resolution

- Parties may be more satisfied if they have a say in creating the outcome
- Process may be less adversarial
- They can control the outcome
- Resolutions can include creative solutions
- Process is shorter and does not involve a full investigation and determination
