

Dear 6th and 7th Grade Parents,

As we look toward the next school year, we are looking for enthusiastic volunteers to join our coaching staff and help lead our archery program.

Why join now?

By stepping up today, you have the unique opportunity to shadow our current coaches for the remainder of this season. You can learn the ropes, get comfortable with the equipment, and see firsthand how we run our practices—all before taking on an official role next fall.

No experience? No problem.

You don't need to be an expert marksman to help. We provide training, and our veteran coaches will be there to mentor you every step of the way. We are looking for people who enjoy working with students and want to support their growth in focus, discipline, and sportsmanship. Next fall, coaches need to be BAI certified and there will be a BAI certification course that will be offered. The training covers the rules of shooting with NASP as well as tips and tricks to help train new archers!

How to get started:

If you are interested or have questions, please reach out by email (yuns@wdmcs.org or buelowb@gmail.com or tigerarcheryclub@gmail.com), call Coach Buelow at 515-708-9208, or join us at our next practice. This volunteer experience is a great way to be involved in the sport and learn more about what goes on behind the curtain (pun intended!).

Help us keep the tradition of archery excellence alive for our students!
