

District 203 K-4 Elementary Summer Learning 2026

REGISTRATION WILL OPEN TUESDAY, MARCH 3, 2026

REGISTRATION IS AVAILABLE FOR SCHOOL DISTRICT 203 RESIDENTS ONLY

Follow District 203 Summer Learning on Twitter for updated information @203Summer

THE REGISTRATION DEADLINE FOR 1ST SEMESTER CLASSES IS TUESDAY, MAY 12, 2026

Online Registration should be submitted through the Infinite Campus Parent App on your phone or laptop using the following link: <https://infinitecampus.naperville203.org/campus/portal/parents/naperville.jsp>

If you need a password reset or an account created you will need to contact
parentsupport@naperville203.org

YOU WILL FIND THE ELEMENTARY COURSE DESCRIPTIONS AT THE END OF THIS DOCUMENT

STUDENT SUMMER LEARNING BACKPACK INFORMATION TAG

After registering your child for Summer Learning, the following items will be sent your child's home building: a Summer Learning document that will include all of the information that you will need to transfer to your child's student information tag template, plastic cover for the information tag, and a plastic loop to attach the information tag to your child's backpack. The information tag should remain attached for the duration of Summer Learning. Upon arrival on the first day of Summer Learning, your child will be greeted by a staff member who will be looking at your child's BACKPACK TAG. The information that you completed on BOTH SIDES of the tag will support our staff in regards to getting your child to his/her course(s), as well as where he/she should arrive daily at dismissal. Please note that ALL Summer Learning students receive a CAR Card no matter how they are getting home, so be sure that the Car Card information matches your child's tag.

School District 203 is offering a 4-week summer learning experience for elementary students grades K-4.

<u>ELEMENTARY LOCATION</u>
<u>Beebe Elementary</u> 110 E 11th Ave Naperville, IL 60563

registration to be rostered in the class
- ★ Registration deadline for K-4 Elementary
Summer Learning is May 12th for 1st
semester classes beginning June 8.
- ★ No refunds will be issued after June 10th

SUMMER SCHOOL TRANSPORTATION

Transportation will be available for \$30 for qualifying District 203 residents. Registration received prior to May 12th, 2026 will be used to construct bus routes. Bus routes are unique to summer enrollment and may not reflect the established routes of the regular school year. Students who are current walkers at Beebe are not eligible for transportation. Registrations that include transportation submitted after May 12th, 2026 will not be considered in the development of bus routes; however, students will be able to join an existing route once they are communicated. Eligibility for transportation will follow the regular school year bussing policies found at: <http://www.naperville203.org/domain/874> .

ALTERNATE BUS STOP INFORMATION

Students who are regularly transported to or from a bus stop other than the one assigned for their home address must have a signed, current request on file at District 203's transportation office. This form is required to be filed annually or whenever a change is made, and must be filled out for summer school even if it was already filled out for the regular academic school year. Forms must be received by May 12th, 2026 in order to be processed for the first day of summer school. Requests received after school has started may require up to 3 days processing time. Requests may not be honored if the requested bus is at capacity. Please visit,

<https://www.naperville203.org/cms/lib/IL01904881/Centricity/Domain/874/RequestToTransStudentsAltStop.pdf> , to download the "Request to Transport Student to/from a Different Bus Stop."

TRANSPORTATION IS ONLY AVAILABLE FOR SESSION 1 ARRIVAL AND SESSION 2 DISMISSAL

ARRIVAL AND DISMISSAL

Beebe Elementary
110 E 11th Ave
Naperville, IL 60563
Session 1 Arrival: 8:30 AM
Session 2 Dismissal: 12:00 PM

Can I pay by check?

You can pay by check or cash upon completion of the paper copy of the Elementary Summer Learning Student Registration Form. The paper registration form can be found within this informational piece and mail the form along with a check to the following address:

District 203 K-4 Elementary Summer Learning
Attn.: Registrar, Summer Learning
203 W. Hillside Rd.
Naperville, IL 60540

NEW SNACK POLICY!

Starting in Summer 2026, students will be responsible for bringing their own daily snack from home. We recommend packing healthy, nut-free options to keep your student energized throughout the day. To ensure all students have what they need to succeed, the school will continue to provide snacks at no cost for those who qualify for free/reduced lunch at the designated break time. If your student is bringing a snack from home, please keep the following in mind:

- Label Everything: Please mark snack containers with your child's name.
- Allergy Awareness: We strive to maintain a "nut-aware" environment; please avoid snacks containing peanuts or tree nuts if possible.
- Hydration: Don't forget to send a reusable water bottle!

SUMMER LEARNING CAMPS

The Naperville Park District and Champions is offering Summer Learning Camps for families who are in need of after-school care for their child.

YOU CAN REGISTER YOUR CHILD FOR THE CHAMPIONS SUMMER LEARNING CAMP AT:

www.discoverchampions.com

Contact numbers:

847-850-9817

800-246-2154

SUMMER LEARNING PARENT OVERVIEW: QUESTION AND ANSWERS

The following information, developed in conjunction with the Naperville Police Department, would apply to any parent or guardian that is dropping-off or picking-up their child from Summer Learning:

- The drop-off and pick-up zone for each building location will be communicated in the packet that is sent home.
- Pull up to the farthest possible point along the drop off zone to drop-off or pick-up your child.
- When you arrive at the drop-off or pick-up zone, have the assigned Car Card clearly displayed on your dashboard. Your child's Session 2 teacher will find that your child's information matches the car card on his/her Student Information Tag that you completed and attached to his/her backpack.
- DO NOT leave your vehicle to walk your child in.
- Keep in mind that your child WILL NOT be allowed to walk-off of school grounds to go and find your vehicle at dismissal. You must get in the vehicle pick-up line.
- Immediately after being dropped-off, your child will be escorted into the building where he/she will be greeted by their classroom teacher.

Car Card:

All students have been assigned a car card, whether or not they ride the bus, walk home, or go to an after-school camp. The reason for this is that there may come a day when you will need to drop-off or pick-up your child. If you are sending more than one child to Summer Learning, you will see that all family members have the same car card. If you are dropping-off or picking-up children that are not in your family, be sure to display a copy of their car card on the right side of your car's dashboard that matches the information on their Student Information Tag. It is very important to have your child's car card visibly displayed on your dashboard daily, as this is how we will be expediting departure.

Walkers

All students who are walking will get released to the adult indicated on their backpack card and who show a car card that matches the information on the backpack tag.

What time should I arrive if my child is attending Session 1?

Arrive 10 minutes before the start of the Session 1 course.

If my child is attending a Session 1 course only, what time should I arrive to pick-up my child?

Arrive 10 minutes before the Session 1 course concludes.

What time should I arrive if my child is attending Session 2 only?

Arrive 10 minutes before the start of the Session 2 course.

When Session 2 concludes, what time should I arrive to pick-up my child?

Arrive 10 minutes before the Session 2 course concludes.

If my child is attending Session 1 and Session 2, what time should I pick-up my child?

Arrive 10 minutes before the Session 2 course concludes.

If my child is attending both sessions, what will he/she be doing for the 30 minutes between sessions?

- Restroom break
- Movement break (Inside or out - weather permitting)
- The summer school staff will be supervising during this time period.

What if we are running late and arrive after the staff has gone into the building?

Enter the building through door number 1. Our staff will be there to greet you and your child. You will sign your child in, and we will complete a late arrival slip for your child's classroom teacher letting him/her know that you have checked in with our staff. REMEMBER, YOUR CHILD SHOULD ARRIVE WITH THEIR BACKPACK DAILY AS THE STUDENT INFORMATION TAG IS ATTACHED.

What if I need to pick my child up earlier than the regular dismissal time?

Call ahead (630-637-7346) and we will be happy to have your child ready to go. When you walk in, your child will be waiting for you in the main office.

What if my child is going to be absent?

Call 630-637-7346 and let us know your child's first and last name and reason for the absence.

What if I have a health concern regarding my child?

We have a health tech and a registered nurse on staff daily to care for our summer learning student population. If there are any health concerns regarding your child, the nurse will inform the classroom teacher, if appropriate. You are also welcome to reach out to the classroom teacher if you would like to discuss any health concerns regarding your child. If you have medications that you would like to keep in the health office, you must have a doctor's orders accompanying the medication in order for the health tech or nurse to administer any medications.

How can I communicate with my child's teacher?

Your child's teacher will be sending home a 'first day' communication piece letting you know how the day went, as well as any pertinent information you would need to know in regards to contacting him/her.

WHAT SHOULD MY CHILD BRING IN HIS/HER BACKPACK?

Kindergarten:

6 pencils
1 eraser
1 eight pack of crayons
1 sock/eraser for dry erase board
1 package of 8 washable markers or colored pencils
1 package of 3" by 3" sticky notes

K-4 ELEMENTARY SUMMER LEARNING COURSE DESCRIPTIONS

KINDERGARTEN COURSES

All kindergarten courses are available to those students who have just completed kindergarten.

K- BRIGHT FUTURES LITERACY

This course has been designed for those students who received a majority of “Beginning or Approaching” on their Standards Based Report Card in Literacy. The curriculum for this course is aligned to District 203 LITERACY for Kindergarten. This course will provide your child with interactive experiences that focus on key Kindergarten content. Students will continue their learning through the use of direct instruction, technology, educational games, and flexible grouping. Focus areas of instruction will include foundational reading skills and strategies, studying the features of both fiction and nonfiction, as well as opportunities to read texts at their independent and instructional levels. Writing is a key component of this course. Using the workshop model, students will use letter/sound knowledge and conventions to author their own stories.

June 8th- July 2nd 8:30-10:00

Course Code: CEK31A

K- DIVING DEEPER MATH

This course has been designed for those students who received a majority of “Beginning or Approaching” on their Standards Based Report Card in Math. The curriculum for this course is aligned to District 203 MATH for Kindergarten. This course will provide your child with interactive experiences that focus on key Kindergarten content. Your child will continue his/her learning through the use of direct instruction, technology, educational games, and flexible grouping. Students will focus on building their number sense, adding and subtracting within 10, building fluency within 5, and identifying and sequencing numbers.

June 8th- July 2nd: 10:30-12:00

Course Code: MEK31B

FIRST GRADE COURSES

For all students who have just completed first grade.

1st GRADE BRIGHT FUTURES LITERACY-

This course has been designed for those students who received a majority of “Beginning or Approaching” on their Standards-Based Report Card in Literacy. The curriculum for this course is aligned to District 203 LITERACY for First Grade. This course will provide your child with interactive experiences that focus on key first-grade content. Your child will continue his/her learning through the use of direct instruction, technology, educational games, and flexible grouping. Students will focus on reading and writing first-grade high-frequency words, developing multiple decoding strategies, and identifying patterns within words to improve reading and writing ability.

June 8th- July 2nd: 8:30-10:00

Course Code: CE131A

1st GRADE DIVING DEEPER MATH

This course has been designed for those students who received a majority of “Beginning or Approaching” on their Standards Based Report Card in Math. The curriculum for this course is aligned to District 203 MATH for First Grade. This course will provide your child with interactive experiences that focus on key first grade content. Your child will continue his/her learning through the use of direct instruction, technology, educational games, and flexible grouping. Students will focus on building their number sense, adding and subtracting within 20, building fluency within 10, identifying unknown partners and totals within equations and story problems, and reading and writing numbers to 131.

June 8th- July 2nd: 10:30-12:00

Course Code: ME131B

SECOND GRADE COURSES

For all students who have completed Second grade

2nd GRADE BRIGHT FUTURES READING

This course has been designed for those students who received a majority of “Beginning or Approaching” on their Standards Based Report Card in Literacy. The curriculum for this course is aligned to District 203 LITERACY for second grade. This course will build a deeper understanding of key second grade literacy, small group instruction, and independent practice. Whole group lessons will focus on key elements of fiction and nonfiction texts. Lastly, students will use technology to research, create and share their knowledge on a topic of their choosing.

June 8th- July 2nd: 8:30-10:00

Course Code: CE231A

2nd GRADE DIVING DEEPER MATH

This course has been designed for those students who received a majority of “Beginning or Approaching” on their Standards Based Report Card in Math. The curriculum for this course is aligned to District 203 MATH for Second Grade. This course will build a deeper understanding of key second grade math skills. Students will focus on understanding place value using concrete manipulatives and tools. Additionally, students will explore the relationship between addition and subtraction through problem solving. Students will also be exposed to foundational multiplication in preparation for 3rd grade. Lastly, resources will be created to take home to practice skills throughout the year.

June 8th- July 2nd: 10:30-12:00

Course Code: ME231B

THIRD GRADE COURSES

For all students who have just completed Third grade

3rd GRADE BRIGHT FUTURES READING

This course has been designed for those students who received a majority of “Beginning or Approaching” on their Standards Based Report Card in Literacy. The curriculum for this course is aligned to District 203 LITERACY for third grade. This course will build a deeper understanding of key third grade literacy skills. Students will participate in word study activities, small group instruction, and independent practice. Whole group lessons will focus on key elements of fiction and nonfiction texts. Lastly, students will use technology to research, create and share their knowledge on a topic of their choosing.

June 8th- July 2nd: 8:30-10:00

Course Code: CE331A

3rd GRADE DIVING DEEPER MATH

This course has been designed for those students who received a majority of “Beginning or Approaching” on their Spring Standards Based Report Card in Math. The curriculum for this course is aligned to District 203 MATH for third grade. This course will build a deeper understanding of key third grade math skills. Students will focus on understanding fractions as numbers. Additionally, students will explore the relationship between addition, subtraction, multiplication and division through problem solving. Lastly, resources will be created to take home to practice skills throughout the year.

June 8th- July 2nd: 10:30-12:00

Course Code: ME31B

READ, WRITE AND RUN! Third and Fourth Grade Students

This course is designed to build and extend student learning through the research-based combination of academic opportunities and physical activity for third and fourth grade students. The academic focus of this course is literacy based (reading, writing, and participation in a Reader's Theater production presented to parents). This course is open to students of all ability levels. The curriculum is aligned to District 203 literacy standards for third and fourth grade.

June 8th- July 2nd: 8:30-10:00 and 10:30-12:00

8:30-10:00 Course Code: CEM11A

10:30-12:00 Course Code: CEM11B

FOURTH GRADE COURSES

For all students who have just completed Fourth grade.

4th GRADE BRIGHT FUTURES LITERACY

This course has been designed for those students who received a majority of "Beginning or Approaching" on their Standards Based Report Card in Literacy. The curriculum for this course is aligned to District 203 LITERACY for fourth grade. This course will build a deeper understanding of key fourth grade literacy skills. Students will participate in word study activities, small group instruction, and independent practice. Whole group lessons will focus on key elements of fiction and nonfiction texts. Lastly, students will use technology to research, create and share their knowledge on a topic of their choosing.

June 8th- July 2nd: 8:30-10:00

Course Code: CE431A

4th GRADE DIVING DEEPER MATH

This course has been designed for those students who received a majority of "Beginning or Approaching" on their Standards Based Report Card in Math. The curriculum for this course is aligned to District 203 MATHEMATICS for fourth grade. This course will build a deeper understanding of key fourth grade math skills. Students will focus on understanding multiplication and division of whole numbers, fraction equivalents and ordering, fraction operations, measurement, angles and 2 dimensional figures.

June 8th- July 2nd: 10:30-12:00

Course Code: ME431B

READ, WRITE AND RUN! Third and Fourth Grade Students

This course is designed to build and extend student learning through the research-based combination of academic opportunities and physical activity for third and fourth grade students. The academic focus of this course is literacy based (reading, writing, and participation in a Reader's Theater production presented to parents). This course is open to students of all ability levels. The curriculum is aligned to District 203 literacy standards for third and fourth grade.

June 8th- July 2nd: 8:30-10:00 and 10:30-12:00

8:30-10:00 Course Code: CEM11A

10:30-12:00 Course Code: CEM11B
