The Learning Liaisons Users Are

2x More Likely To Pass on the First Try[1]

5+ Hours of Engagement

Learners who invest more time are more likely to pass on the first try!

1. Independent study conducted by HumRRO (July 2025) comparing The Learning Liaisons with a leading competitor. Findings reflect differences in study time, engagement, and pass rates among pilot groups of Teachers of Tomorrow candidates. Results may vary depending on implementation and learner commitment.
