Dear Syosset Family,

Syosset Central School District is proud to partner with SCOPE Education Services to offer a tuition-based morning and afternoon child-care service for resident students in kindergarten through 5th grade.

SCOPE is a private, not-for-profit 501 (C) (3) organization, permanently chartered by the New York State Board of Regents to provide services to school districts in New York State. SCOPE is licensed by the NYS Office of Children and Family Services.

Parents/Guardians of students participating in SCOPE child-care pay a tuition fee to cover the cost of operating this program. The morning program begins as early as 7:00 AM and the afternoon program ends at 6:30 PM. Part time schedules are available.

If you wish to avail yourself of SCOPE child-care services, please contact SCOPE Education Services office at 631-360-0800, Ext 123. SCOPE personnel will be able to provide further information about registration, procedures and program fees as outlined on the attached SCOPE flier.

Early registration is encouraged as SCOPE enrollment is limited by space and staff requirements. Please be advised that SCOPE child-care services will run during the 2026-2027 school year, contingent upon approval of the 2026-2027 Syosset Central School District Budget.

Registration for incoming kindergarten students will be available online at:

Sincerely,

Isha Morgenstern
