PSEO Institution: \_\_\_\_\_ Full or Part Time PSEO: \_\_\_\_\_

My parents and I understand the requirements of the PSEO program and agree to the following.

 Please read all questions and check  each statement to agree.

- I am choosing to enroll in PSEO and understand it is my responsibility to meet with my EHS counselor to discuss PSEO courses, grad requirements, and to complete the PSEO state form which is due each semester.
- I understand that EHS and PSEO institutions do not communicate about a student's progress, except for the final college transcripts which are sent to EHS counselors at the end of each semester.
- I understand that in order to maintain my full time enrollment status, I must be registered for at least 12 credit each semester.
- I acknowledge that it is a requirement to meet with my EHS counselor BEFORE any withdrawing consideration from a PSEO course takes place.
- I understand that EHS reports my grade exactly as it appears on my college transcript including withdrawl and failure grades.
- The grades you receive at the college will be added to your EHS transcript. These grades are averaged into your EHS GPA, and these classes are not weighted.
- Part-time PSEO students who drive and take classes at EHS need to purchase a parking permit.
- It is the families responsibility to arrange transportation to and from the PSEO institution.
- Eligibility to continue PSEO when a PSEO student's grades fall below a certain level at the college is determined by the PSEO institution.
- All textbooks and equipment provided to a student are the property of the student's PSEO institution. Each student is required to return all textbooks and equipment to the post-secondary institution after the course has ended. Textbooks and equipment not returned after a reasonable time period may be charged to the student at the used price under the assumption the students have chosen to keep them.
- I understand that it is the student's responsibility to stay in communication with the high school for any announcements, modifications to the daily schedule, pertinent graduation information, standardized testing dates/registration, and all other significant information related to the daily high school activities.
- I understand that Edina High School and my PSEO institution run on different school schedules and it is my responsibility to schedule my classes accordingly.
