

## Halloween at the Hall

**H**alloween at the Hall is quickly becoming one of the students' favorite times of the year. The campus fun kicked off, as always, when Harpeth Hall 6th grade students hosted an afternoon of themed games and activities for the young children and grandchildren of faculty and alumnae a few days before Halloween.

This year, the spooky excitement continued on Oct. 31 with a school-wide trunk-or-treat and an all-school assembly featuring a costume contest, a dance-off, and a whole lot of spirit, led by the senior class, which dressed up as a colorful array of trolls from the movie. Many of the upper school faculty dressed as construction workers in a fun nod to the crew building our new Dettwiller STEM Center.
