

NEW YORK

From Manhattan newbies (three months in!) to seasoned New Yorkers (25+ years strong!), our alumnae community is thriving in the Big Apple. Huge shoutout to **Bradley Wright Ferrarini '02** for securing the fantastic SoHo House venue.

Alumnae on the Road

WASHINGTON D.C.

It was wonderful to see our young alumnae at the Honeybear Happy Hour hosted by **Whatley Hamilton Flounoy '14** at Dauphine's in Washington, D.C., in August 2025. Thanks to all who attended.
