

Lower out-of-pocket costs for you on non-covered medications

RxSavingsPlus® can help you save money on non-covered medications.

This program allows you to purchase medications not covered by your prescription plan at a discount.

You can save up to 80% on generics and up to **37%** on brand-name medications

Save an average of **59% on generics** and **21% on brands**

Easy to use

Your experience is seamless. Simply present your CVS Caremark® benefit card and your prescription at one of almost 60,000 pharmacies in the Drug Discount Network and get a discount on the non-covered medication.

Please note that since these medications are not covered by your plan, these discounted claims will not apply to any accumulations.

By your plan, these discounted claims will not apply to any accumulations.
