

## **2026-2027 Art Portfolio Application**

Name: \_\_\_\_\_ Student ID#: \_\_\_\_\_

Art Portfolio is a full-year art class for students who excelled in Art 1. You must take and pass Art 1 first. It is taken in place of Art 2 and is not for high school credit. In Portfolio, students are taught artistic behaviors, given more creative freedom, and held to a higher standard. I am looking for students who are determined, can work independently, and are well-behaved. Students will be expected to compete in Junior VASE, a one day art competition in May. Ask Mrs. Sneed for more information.

**What did you enjoy about Art I?**

**What are your strengths in art and in the classroom?**

**What do you expect to accomplish in Portfolio?**

**What skills or techniques do you want to learn?**

**Do you plan on taking art in high school?**
