Cameron Ranch Elementary School
Mobile Device Policy and Permission Slip

To promote a focused and safe learning environment, Cameron Ranch Elementary follows the guidelines set forth by the California Phone-Free School Act (Assembly Bill 3216). This law restricts the use of personal electronic devices during instructional time to reduce distractions and support student learning.

Policy:

- Mobile communication devices shall be turned off and placed either in students' backpacks or in a secure tub within the classroom upon arrival on campus.
- Students are prohibited from using mobile communication devices during the entire school day, including recess and lunch.
- Devices may only be turned on and used once students have left campus at the end of the day.
- Mobile devices are for emergency purposes only and may be accessed at the discretion of a staff member. Students will have access to their devices in case of an emergency.
- The school is not responsible for any mobile devices brought to campus.

Permission:
Parent/Guardian permission, with a signed form on file in the school office, is required for a student to have a mobile device at school.

Please complete and return this form to the school office if you give permission for your child to have a device on campus:

My child and I have read and understand the above guidelines for mobile device use at Cameron Ranch Elementary School. I give permission for my child to bring a mobile device to school.

I understand that if my child does not follow these guidelines, I will be required to pick up the device from the school office.
