FROM TOWNSHIP TO CITY: EARLY BEGINNINGS

- Van Buren Township (Named after President Martin Van Buren) established in 1841
- Early Years (1841-1920s): The district started with small one-room schools, gradually consolidating into larger elementary schools like Pasadena (1916) and Carrmonte (1923)
- Became Village of Kettering (Named after Charles F. Kettering) in 1952
- By 1955, the population had grown enough to attain city status

The first proposed seal for the City of Kettering bore the motto, "No Place Is Someplace." The seal was designed by Judith Ireland, a Fairmont senior, for a contest held in 1956
