

THE MOTORCYCLE SAFETY FOUNDATION

BASIC RIDERCOURSESM

Prerequisites: **Completion of E-Course Online.**
Ability to ride a bicycle. **Full protective attire is required.** [Must be of legal age to operate a motorcycle on the street].

The Basic RiderCourse is a complete entry-level, learn-to-ride class that consists of at least 19 hours of formal classroom activities and on-cycle riding exercises conducted over two or three days. About 5 hours are devoted to learning activities in the classroom, and around 14 hours of hands-on practice are included. Training motorcycles are provided. **Successful completion meets the requirement for a M (motorcycle) endorsement for riders 14 or older in Oklahoma and may result in an insurance discount.**
