2026-2027 Grimsley Projected Course Offerings

The courses listed below are the ones **projected** to be taught at GHS during the 2026-2027 school year. Courses may not be offered if district level changes are made or the course has low enrollment numbers. Be advised that some courses have prerequisites, and not all courses are available to every grade level. **Courses marked with an asterisk are application or audition only.**

All students should register for a full schedule of **SIX** courses! Selecting alternates may be encouraged.
