CCSD'S COMMITMENT TO SERVING ALL STUDENTS

Per the United States and Nevada Constitutions, Nevada's children are entitled to a free and appropriate education, regardless of their immigration status. The Clark County School District (CCSD) does not collect or verify students' immigration status and is not responsible for enforcing federal immigration law.

CCSD does everything we can to keep students safe on our campuses. We have protocols in place in case any outside law enforcement agency comes to our campuses or requests information about students or families.

Important note: This guide provides CCSD's established procedures and links to community partners that offer support for immigrant families. This document does not offer legal advice.
If you have a legal question, it is important to consult with an attorney. Additionally, "notaries" in the United States are not licensed attorneys.

STUDENT EMERGENCY SAFETY PLAN

CCSD encourages all families, regardless of immigration status, to do the following:

1. **Update Emergency Contacts:** It is critical that the school knows who is authorized to pick up your child if you are not available. Please check Infinite Campus to ensure we have the correct phone numbers for you and your emergency contacts. ccsd.net/ccsd-infinite-campus
2. **Authorize a Trusted Guardian:** Consider completing a temporary guardianship form that allows you to state whom you designate to care for your children in your absence.

English

FAMILY PREPAREDNESS PLAN

Having a family preparedness plan helps ensure children are cared for and remain stable during emergencies by identified, trusted caregivers and emergency contacts.

Spanish

CCSD RESOURCES

The Family Support Centers provide assistance to students and families through information, education, community resources, registration, immunizations, and more. For more information, call (702) 799-0072.
