Challenge Charter School Week of: February 9th

Core Knowledge is #1! We get it done with fun! Hands-on, Right on! Integrated Science, Social Studies, Math, and Language Arts!

Here's what we'll be learning next week...

Math: Graphing

- Create and interpret bar graphs and line graphs
- Create a scaled picture graph and a scaled bar graph to represent a data set with several categories
- Record outcomes for a simple event, then display the results graphically
- Solve one- and two-step "how many more" and "how many less" problems using information presented in scaled bar graphs

ELA

Poetry:

stanza, chapter & scenes in poems, books & drama

Reading: We will explore poems, stories, and drama. Much of our studies will involve comparing how stories are told and what each part of a story does to impact theme, message, and plot. Our field trip to *Alice in Wonderland: The Ballet* will be a first hand look at the art of telling a story through music and acting in various scenes.

Grammar:

Possessive Pronouns & Contractions

Sayings & Phrases
