IMPORTANT:

- Students will earn a ½ credit for each course successfully completed.
- Students will receive a letter grade for each course completed.
- Students must attend one after school drop-in session to receive login and navigation information.
- After school drop-in hours are available for students to work on their course or receive extra support from the credit recovery mentor.
- Students must attend after-school sessions to complete all assessments (quizzes, tests, mid-term, and final exam) within each course.
- Students can access their course from home at any time.
- Courses are NOT NCAA eligible.

All courses offered will use the Subject.com program. These are computer courses that are self-paced and require a student to be on task and motivated.
