

STOUGHTON AREA SCHOOL DISTRICT

Viking Vine

February 2026

Pictured: Stoughton wrestlers celebrated their success on Senior Night against Portage 59-17!!

Dr. Dan Keyser

District Administrator

During these times of uncertainty and anxiety, we want to reassure you that we remain dedicated to our core values and the inclusion of every student at our schools. We have strict protocols for how we interact with government agencies. If a situation occurs, we will advocate for our students' rights and inform families and guardians immediately.

Our schools are places of learning and always ready to support families, including helping them connect with community resources. Please contact your child's school if you have any questions or need support and resources.

Legislative Day 2026

SASD hosted its 2026 Legislative Day, welcoming Senator Melissa Ratcliff, Rep. Randy Udell, and representatives from the offices of Senators Tammy Baldwin and Ron Johnson. The event featured Stoughton High School classroom visits, a spotlight on our Transition Program, and student-led presentations. The day concluded with a Board of Education panel and lunch, fostering vital dialogue between local educators and policymakers. We thank our guests for engaging with our students and exploring the innovative programs that prepare them for the future!

Updates throughout the Schools

Stoughton High School

The Norse Afternoon of Fun recently brought our community together to support our Norwegian Dancers, while Veterinary Science students are getting hands-on experience with newborn lambs. Plus, our juniors are working hard in ACT prep to build confidence for upcoming tests. It's an exciting season of learning!

River Bluff Middle School

We celebrated our Quarter 2 Community Change Makers, nominated by their peers for living our core values! Additionally, preparations for Student-Led Conferences have begun. These conferences empower students to reflect on their goals and share their successes with families, fostering ownership of their educational journey.

Fox Prairie Elementary

We had an amazing turnout for our Family Breakfast. Fox Prairie is looking forward to our all school field trip to the Overture Center to see Secrets of Space in February. We will also have a Family Fun Night in February. Watch the enews for more information!

Kegonsa Elementary

Field trips are vital for deepening student curiosity through real-world experiences. Each grade level typically attends five trips annually! This month, students will explore Livsreise, Olbrich Gardens, Cave of the Mounds, & the Hobbit Planetarium, turning classroom lessons into unforgettable hands-on learning.

Sandhill Elementary

Our recent Kids Club was a great success! This schoolwide affinity group builds community and belonging by connecting students across grade levels. We are so grateful to our volunteers & WFK for their vital financial support. Looking ahead, we're excited for Kindness Bingo and our upcoming Olympics-themed schoolwide activity!

4 Year Old Kindergarten

4K friends will move from learning about the jungle to the desert. They will learn about the earth and the sky and daytime and nighttime. They will talk about the weather. They continue to learn letter names and sounds through play! 2026-27 4K enrollment opens online on 2/13 and enrollment verification night is 3/10. See the [website](https://www.stoughton.k12.wi.us) for more information!
